VERY TRUE.

The Washington Union has furnished, for several weeks, leading editorial articles upon banking-its uses and abuses. The following is from one of the editorials referred to, and although them how it came that Gen. Packer was expressing nothing but general propo- so triumphantly elected, they will ansitions, are so admirably stated, we cannot deny them a re-print: "The liberties of a people do not depend on laws and constitutions so much as themselves. If they are turbulent, debauched or service; if they have not the intelligence to discern and the courage to resist all abuses of authority at every risk, they may have the best constitution ever devised by the wit of man or the wisdom of in spiration, and it will little avail; for there will come in time, in the progress of every nation, a crisis when there will be no alternative but that of resistance o subjugation. If they are ignorant, they will be blind to the sly, insidious ap-proaches of despotism; if they are cowards, they will shrink from the assertion Government." of their rights at the risk of their persons; if they are debased by a habit of dependence, they will gradually sink into obedient slaves; if they are incapable of self restraint, they are unworthy of the great trust of governing others; and if money is their god, they will sell their liberties, as the Pretorian Guards sold the imperial diadem, to the highest bidder. Never let the people of the United States flatter themselves they can preserve their liberties when they have Buchanan?" lost the virtues by which they were acquired.

"To one not hardened into insensibility or indifference by long practice, debt is the heaviest of all burdens except remorse, and consequently the desire to get knows what." rid of it increases that impatience for the acquisition of movey which is the common characteristic of civilized man, whose superiority consists principally in Post. the number of artificial wants originating in a high state of refinement, and the arts necessary to their gratification-The debtor naturally wishes to relieve himself from this state of dependency on the will of another, and in order to do so, is seduced into the adoption or the spirits of the few who occasionally visit our "Hayti" meeting houses. lave resorted to had he not been thus our town where "pussons ob color" reled into temptation.

·His love of money is aggravated by his necessities, and to obtain it becomes a most eloquent appeal to his hearers, found the the sole object of his life. He is degra- one of the legs of the stove which had ded into an abject worshipper of Mambeen loosened in some way, fell out,
